Item 1.01. Entry into a Material Definitive Agreement.

On October 3, 2019, CytoDyn Inc. (the “Company”) entered into Subscription Agreements (the “Subscription Agreements”) with certain investors (the “Investors”) for the sale by the Company of 1,382,500 shares (the “Common Shares”) of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), in a registered direct offering (the “Offering”). The Investors in the Offering also received warrants to purchase 691,250 shares of Common Stock (the “Warrants”). Each share of Common Stock was sold together with one half of one Warrant to purchase one share of Common Stock for a combined purchase price of \$0.40. The Company did not engage any Placement Agent in the Offering.

The aggregate gross proceeds for the sale of the Common Shares and Warrants will be approximately \$0.6 million. Subject to certain ownership limitations, the Warrants will be exercisable commencing on the issuance date at an exercise price equal to \$0.45 per share of Common Stock, subject to adjustments as provided under the terms of the Warrants. The Warrants are exercisable for five years from the date of issuance. The closing of the sales of these securities under the Subscription Agreements is expected to occur on or about October 3, 2019.

The net proceeds to the Company from the transactions, after deducting the Company’s estimated offering expenses and excluding the proceeds, if any, from the exercise of the Warrants, are expected to be approximately \$0.6 million. The Company intends to use the net proceeds from the transactions to fund clinical trials for its lead product candidate and for general corporate purposes.

The securities sold in the Offering were offered and sold by the Company pursuant to an effective shelf registration statement on Form S-3, which was initially filed with the Securities and Exchange Commission (the “SEC”) on February 23, 2018 and subsequently declared effective on March 7, 2018 (File No. 333-223195) (the “Registration Statement”), and the base prospectus dated as of March 7, 2018 contained therein. The Company will file a prospectus supplement with the SEC in connection with the sale of the securities.

The representations, warranties and covenants contained in the Subscription Agreements were made solely for the benefit of the parties to the Subscription Agreements. In addition, such representations, warranties and covenants (i) are intended as a way of allocating the risk between the parties to the Subscription Agreements and not as statements of fact, and (ii) may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company. Accordingly, the forms of the Subscription Agreements are included with this filing only to provide investors with information regarding the terms of transaction, and not to provide investors with any other factual information regarding the Company. Stockholders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of

the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Subscription Agreements, which subsequent information may or may not be fully reflected in public disclosures.

The form of Warrant is filed as Exhibit 4.1 to the Current Report on Form 8-K filed on August 29, 2019. The form of Subscription Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K. The foregoing summaries of the terms of these documents are subject to, and qualified in their entirety by, such documents, which are incorporated herein by reference.

The legal opinion and consent of Lowenstein Sandler LLP relating to the securities are filed as Exhibit 5.1 to this Current Report on Form 8-K.

Ladies and Gentlemen:

We have acted as counsel for CytoDyn Inc., a Delaware corporation (the “Company”), in connection with the sale and issuance of up to 1,382,500 shares of the Company’s common stock, par value \$0.001 per share (the “Shares”) and warrants (the “Warrants”) to purchase up to an aggregate of 691,250 shares of Common Stock (the “Warrant Shares”) pursuant to the Registration Statement on Form S-3 (File No. 333-223195) (the “Registration Statement”) filed by the Company with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”), and the rules and regulations promulgated thereunder, and declared effective by the Commission on March 7, 2018. The Shares and Warrants are to be sold to certain investors pursuant to a Subscription Agreement with each investor, each dated as of October 3, 2019 (the “Subscription Agreements”).

As counsel to the Company in connection with the proposed potential issuance and sale of the above-referenced Shares, we have examined: (i) the Company’s Certificate of Incorporation and Bylaws, each as amended to date; (ii) certain resolutions of the Board of Directors of the Company relating to the sale of the Shares and Warrants; (iii) the Subscription Agreements and (iv) such other proceedings, documents and records as we have deemed necessary to enable us to render this opinion. In all such examinations, we have assumed the genuineness of all signatures, the authenticity of all documents, certificates and instruments submitted to us as originals and the conformity with the originals of all documents submitted to us as copies. We have also assumed that any certificates representing the Shares conform to the Specimen Common Stock Certificate filed as Exhibit 4.1 to the Registration Statement. We have, among other things, relied upon certificates of public officials and, as to various factual matters, certificates of officers of the Company.

Based on the foregoing, and subject to the assumptions, limitations and qualifications set forth herein, we are of the opinion that (i) the Shares, when issued, sold and paid for in accordance with the terms and conditions of the Subscription Agreements, will be validly issued, fully paid and nonassessable; (ii) the Warrants have been duly and validly authorized and when issued and sold in accordance with the terms and conditions of the Subscription Agreements, will be valid and binding obligations of the Company; and (iii) the Warrant Shares, when issued, sold and paid for in accordance with the terms of the Warrants will be validly issued, fully paid and non-assessable.

It is understood that this opinion is to be used only in connection with the offer, sale and issuance of the Shares, the Warrants and the Warrant Shares while the Registration Statement is in effect.

We hereby consent to the use of this opinion as an exhibit to the Company’s Current Report on Form 8-K dated October 3, 2019. In giving this consent, we do not admit that we are “experts” within the meaning of Section 11 of the Securities Act or within the category of persons whose consent is required by Section 7 of the Securities Act.

The opinions set forth in this letter are limited solely to the Delaware General Corporation Law and we express no opinion with respect to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction or any other laws, or as to any matters of municipal law or the laws of any local agencies within any state.

Very truly yours,

/s/ Lowenstein Sandler LLP

4. Representations, Warranties and Covenants of the Investor.

The Investor acknowledges, represents and warrants to, and agrees with, the Company that:

4.1 The Investor (a) is knowledgeable, sophisticated and experienced in making, and is qualified to make decisions with respect to, investments in securities presenting an investment decision like that involved in the purchase of the Shares and Warrants, including investments in securities issued by the Company and investments in comparable companies, (b) has answered all questions on the Signature Page and the Investor Questionnaire and the answers thereto are true and correct as of the date hereof and will be true and correct as of the Closing Date and (c) in connection with its decision to purchase the number of Shares and Warrants set forth on the Signature Page, has received and is relying only upon the Disclosure Package and the documents incorporated by reference therein.

4.2 (a) No action has been or will be taken in any jurisdiction outside the United States by the Company that would permit an offering of the Shares and Warrants, or possession or distribution of offering materials in connection with the issue of the Securities in any jurisdiction outside the United States where action for that purpose is required, and (b) if the Investor is outside the United States, it will comply with all applicable laws and regulations in each foreign jurisdiction in which it purchases, offers, sells or delivers Securities or has in its possession or distributes any offering material, in all cases at its own expense.

4.3 The Investor has full right, power, authority and capacity to enter into this Agreement and to consummate the transactions contemplated hereby and has taken all necessary action to authorize the execution, delivery and performance of this Agreement, and (b) this Agreement constitutes a valid and binding obligation of the Investor enforceable against the Investor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' and contracting parties' rights generally and except as enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and except as to the enforceability of any rights to indemnification or contribution that may be violative of the public policy underlying any law, rule or regulation (including any federal or state securities law, rule or regulation).

4.4 The Investor understands that nothing in this Agreement, the Prospectus, the Disclosure Package or any other materials presented to the Investor in connection with the purchase and sale of the Shares and Warrants constitutes legal, tax or investment advice. The Investor has consulted such legal, tax and investment advisors and made such investigation as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of Shares and Warrants. The Investor also understands that there is no established public trading market for the Warrants being offered in the Offering, and that the Company does not expect such a market to develop. In addition, the Company does not intend to apply for listing of the Warrants on any securities exchange. The Investor understands that without an active market, the liquidity of the Warrants will be limited.

4.5 The Investor will maintain the confidentiality of all information acquired as a result of the transactions contemplated hereby prior to the public disclosure of that information by the Company in accordance with Section 13 of this Annex.

4.6 Since the time at which the Company first contacted such Investor about the Offering, the Investor has not disclosed any information regarding the Offering to any third parties (other than its legal, accounting and other advisors) and has not engaged in any purchases or sales of the securities of the Company (including, without limitation, any Short Sales (as

defined herein) involving the Company's securities). The Investor covenants that it will not engage in any purchases or sales of the securities of the Company (including Short Sales) prior to the time that the transactions contemplated by this Agreement are publicly disclosed. The Investor agrees that it will not use any of the Securities acquired pursuant to this Agreement to cover any short position in the Common Stock if doing so would be in violation of applicable securities laws. For purposes hereof, "Short Sales" include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, whether or not against the box, and all types of direct and indirect stock pledges, forward sales contracts, options, puts, calls, short sales, swaps, "put equivalent positions" (as defined in Rule 16a-1(h) under the Exchange Act) and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers.

4.7 The Investor is acquiring the Shares and Warrants (including, upon the exercise of the Warrants, the Warrant Shares) solely for such Investor's own account for investment purposes only and not with a view to or intent of resale or distribution thereof, in whole or in part. The Investor has no agreement or arrangement, formal or informal, with any person to sell or transfer all or any part of the Shares, the Warrants, or the Warrant Shares, and the Investor has no plans to enter into any such agreement or arrangement. The Investor agrees to make due inquiry regarding, and not to sell or transfer the Shares, the Warrants or the Warrant Shares in violation of, any federal and/or state securities laws applicable to the Investor.

4.8 The Investor has sufficient knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Securities and is able to bear the economic risks of such investment.

4.9 The Investor is unaware of, is in no way relying on, and did not become aware of the Offering through or as a result of, any form of general solicitation or general advertising including, without limitation, any article, notice, advertisement or other communication published in any newspaper, magazine or similar media or broadcast over television, radio or the Internet (including, without limitation, internet "blogs," bulletin boards, discussion groups and social networking sites) in connection with the Offering and sale of the Securities and is not subscribing for the Securities and did not become aware of the Offering through or as a result of any seminar or meeting to which the Investor was invited by, or any solicitation of a subscription by, a person not previously known to the Investor in connection with investments in securities generally.

4.10 The Investor meets the suitability standards set forth in Part B of the Investor Questionnaire attached hereto as Annex II.

4.11 The Investor has taken no action that would give rise to any claim by any person for brokerage commissions, finders' fees or the like relating to this Agreement or the transactions contemplated hereby.

5. Survival of Representations, Warranties and Agreements. Notwithstanding any investigation made by any party to this Agreement, all covenants, agreements, representations and warranties made by the Company and the Investor herein will survive the execution of this Agreement, the delivery to the Investor of the Shares and Warrants being purchased and the payment therefor.

6. Notices. All notices, requests, consents and other communications hereunder will be in writing, will be mailed (a) if within the domestic United States by first-class registered or certified airmail, or nationally recognized overnight express courier, postage prepaid, or by e-mail or (b) if delivered from outside the United States, by International Federal Express or e-mail, and will be deemed given (i) if delivered by first-class registered or certified mail domestic, three business days after so mailed, (ii) if delivered by nationally recognized overnight carrier, one business day after so mailed, (iii) if delivered by International Federal Express, two business days after so mailed and (iv) if delivered by e-mail, upon electronic confirmation of receipt, and will be delivered and addressed as follows:
