CYTODYN INC.

**PROXY STATEMENT
SPECIAL MEETING OF STOCKHOLDERS**

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of CytoDyn Inc., a Delaware corporation ("CytoDyn" or the "Company"), to be voted at a special meeting of stockholders to be held on July 22, 2020 at 9:30 a.m., Pacific Time, at the Hilton Vancouver Washington, 301 W. 6th Street, Vancouver, Washington 98660 (the "Special Meeting"), and any postponements or adjournments thereof. The proxy statement and accompanying form of proxy were first mailed to stockholders on or about June 22, 2020.

VOTING, REVOCATION, AND SOLICITATION OF PROXIES

Solicitation of Proxies. The enclosed proxy is solicited by and on behalf of the Board, with the cost of solicitation borne by the Company. Solicitation may also be made by directors and officers of the Company without additional compensation for such services. In addition to mailing proxy materials, the directors, officers and employees may solicit proxies in person, by telephone or otherwise.

The Company has also retained Alliance Advisors LLC to assist it in the solicitation of proxies. Alliance Advisors LLC will solicit proxies on behalf of the Company from individuals, brokers, bank nominees and other institutional holders in the same manner described above. Alliance Advisors LLC will receive a base fee of \$8,000, plus approved and reasonable out of pocket expenses, for its services to the Company for the solicitation of the proxies. The Company has also agreed to indemnify Alliance Advisors LLC against certain claims.

Voting. You may submit a proxy to have your shares of common stock voted at the Special Meeting in one of three ways: (i) completing, signing, dating and returning the enclosed proxy card in the accompanying prepaid envelope; (ii) calling toll-free at the telephone number indicated on the enclosed proxy card; or (iii) using the Internet in accordance with the instructions set forth on the enclosed proxy card. When a proxy is properly returned, the shares represented by the proxy will be voted at the Special Meeting in accordance with the instructions specified in the spaces provided in the proxy. **If no instructions are specified, the proxies will be counted for purposes of determining whether or not a quorum is present, and will be voted FOR Proposals 1 and 2.** If a stockholder of record attends the Special Meeting, he or she may vote in person. If you hold shares through a broker or nominee (that is, in "street name"), please follow their directions on how to vote your shares.

Banks and brokers acting as nominees are permitted to use discretionary voting authority to vote proxies for proposals that are deemed "routine" by the New York Stock Exchange, but are not permitted to use discretionary voting authority to vote proxies for proposals that are deemed "non-routine" by the New York Stock Exchange. The determination of which proposals are deemed "routine" versus "non-routine" may not be made by the New York Stock Exchange until after the date on which this proxy statement has been mailed to you. As such, it is important that you provide voting instructions to your bank, broker or other nominee, if you wish to determine the voting of your shares. If the New York Stock Exchange determines such proposal to be "non-routine," failure to vote, or to instruct your broker how to vote any shares held for you in your broker's names will have the same effect as a vote against Proposal 1, but will have no effect with respect to Proposal 2.

A broker “non-vote” occurs when a proposal is deemed “non-routine” and a nominee holding shares for a beneficial owner does not have discretionary voting authority with respect to the matter being considered and has not received instructions from the beneficial owner.

If you have additional questions, need assistance in submitting your proxy or voting your shares of common stock, or need additional copies of the proxy statement or the enclosed proxy card, please contact Alliance Advisors LLC.

Revocation of Proxies. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company or by submitting a later-dated proxy prior to a vote being taken at the Special Meeting. Attendance at the Special Meeting alone will not be sufficient to revoke a previously submitted proxy. If you hold shares through a broker or nominee (that is, in “street name”), please follow their directions on how to revoke previously submitted instructions relating to your shares.

OUTSTANDING VOTING SECURITIES AND QUORUM

Stockholders of record as of the close of business on June 17, 2020, are entitled to one vote at the Special Meeting for each share of common stock, par value \$0.001 per share (“Common Stock”), of the Company then held by each stockholder. As of that date, the Company had 519,697,711 shares of Common Stock outstanding. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock entitled to vote constitutes a quorum at the Special Meeting. Abstentions will be considered present for purposes of determining the presence of a quorum at the Special Meeting. Broker non-votes, if any, will not be considered present for purposes of determining the presence of a quorum at the Special Meeting if the New York Stock Exchange determines both of the proposals to be “non-routine,” but will be considered present for purposes of determining the presence of a quorum at the Special Meeting if the New York Stock Exchange determines either of the proposals to be “routine.”

VOTES REQUIRED

Pursuant to the General Corporation Law of the State of Delaware, Proposal 1 must be approved by a majority of the outstanding shares of stock of the Company entitled to vote on the proposal. Proposal 2 will be approved if a quorum exists and the votes cast favoring the proposal exceed the votes cast opposing the proposal.

-
- **Voting of Shares Held in “Street Name” (See page 1):** Your broker is permitted to use discretionary voting authority to vote proxies for proposals that are deemed “routine” by the New York Stock Exchange, but is not permitted to use discretionary voting authority to vote proxies for proposals that are deemed “non-routine” by the New York Stock Exchange. PROPOSAL 1

PROPOSAL TO INCREASE THE COMPANY'S AUTHORIZED CAPITAL TO 800,000,000 SHARES OF COMMON STOCK

Background

The Board believes it is in the best interest of the Company to increase the number of shares of Common Stock authorized for issuance by 100,000,000 shares of Common Stock, bringing the total number of shares of Common Stock authorized from 700,000,000 shares to 800,000,000 shares. These shares do not offer any preemptive rights. The text of the proposed certificate of amendment to the Company's Certificate of Incorporation is attached hereto as Exhibit A. This proposal to increase the number of shares of Common Stock authorized for issuance, if approved at the Special Meeting, will become effective and the Company's number of shares of authorized Common Stock will be increased to 800,000,000 shares upon the filing of the certificate of amendment with the Secretary of State of the State of Delaware. The following discussion is qualified in its entirety by the full text of the certificate of amendment, which is attached to this proxy statement as Exhibit A and is incorporated herein by reference.

Reasons for the Increase

The Board believes that it is desirable to have sufficient authorized shares of Common Stock available for future issuance, to give the Company greater flexibility to use its common stock for business and financial purposes, and to allow such shares to be issued without the expense and delay of an additional special stockholders' meeting. These purposes may include financings to raise the capital needed to operate the business; future acquisition transactions; providing equity incentives to employees, officers, directors, consultants and/or advisors; establishing joint ventures or other strategic relationships with other companies; and other general purposes. Although such issuance of additional shares with respect to future financings, acquisitions and as incentive compensation would dilute existing stockholders, management believes that such transactions would increase the overall value of the Company to its stockholders. In addition, the Board believes the Company's success depends in part on its continued ability to attract, retain and motivate highly qualified management and clinical and scientific personnel. Without an increase in authorized shares of common stock, the Company may be constrained in its ability to use equity as a component of compensation to attract and retain key personnel. There are certain advantages and disadvantages of an increase in authorized Common Stock. The advantages include:

- The ability to raise additional capital by issuing capital stock under the type of transactions described above, or other financing transactions.
- To have shares of Common Stock available to finance the Company's ongoing operating capital requirements to advance the Company's lead product candidate, leronlimab (PRO 140), towards regulatory approval, and to pursue other potential business expansion opportunities, if any.
- To have shares of Common Stock available to attract, retain and motivate highly qualified management and clinical and scientific personnel.

The disadvantages include:

- Stockholders will experience further dilution of their ownership.
- Stockholders do not have any preemptive or similar rights to subscribe for or purchase any additional shares of Common Stock that may be issued in the future, and therefore, future issuances of Common Stock may, depending on the circumstances, have a dilutive effect on the earnings per share, voting power and other interests of existing stockholders of the Company.

- The additional shares of Common Stock for which authorization is sought in this proposal would be part of the existing class of Common Stock and, if and when issued, would have the same rights and privileges as the shares of Common Stock presently outstanding. The Company intends to use the proceeds from any future capital raises for working capital and general corporate purposes. The Company has no arrangements, agreements, or understandings in place at the present time, for the issuance or use of the additional shares of Common Stock to be authorized by the proposed Certificate of Amendment. However, the Company has recently conducted certain private offerings of common stock and warrants, and the Company will continue to require additional capital in the near future to fund its operations. As a result, it is foreseeable that the Company will seek to issue such additional shares of Common Stock in connection with any such capital raising activities. The Board does not intend to issue any Common Stock or securities convertible into Common Stock except on terms that the Board deems to be in the best interests of the Company and its stockholders.
- The issuance of authorized but unissued stock could be used to deter a potential takeover of the Company that may otherwise be beneficial to stockholders by diluting the shares held by a potential suitor or issuing shares to a stockholder that will vote in accordance with the Board's desires. A takeover may be beneficial to independent stockholders because, among other reasons, a potential suitor may offer such stockholders a premium for their shares of stock compared to the then-existing market price. The Company does not have any plans or proposals to adopt provisions or enter into agreements that may have material anti-takeover consequences.

Although an increase in the authorized shares of Common Stock could, under certain circumstances, have an anti-takeover effect, this proposal to adopt the amendment is not in response to any effort, of which the Company is aware, to accumulate Common Stock or obtain control of the Company. Nor is it part of a plan by management to recommend a series of similar amendments to the Board and stockholders. The Company has no arrangements, agreements, or understandings in place at the present time to enter into any merger, consolidation, acquisition or similar business transaction.

If the Company's stockholders do not approve the increase in authorized shares of Common Stock, then the Company will be limited in its ability to use shares of Common Stock for financing, acquisitions, equity compensation or other general corporate purposes. As of May 28, 2020, the Company only had 14,415,264 shares of Common Stock authorized and unreserved for issuance, which would be available for such purposes.

Approval Required

Pursuant to the General Corporation Law of the State of Delaware, this proposal must be approved by the affirmative vote of a majority of the outstanding shares of Common Stock of the Company entitled to vote on the proposal. Shares that are not represented at the Annual Meeting and abstentions and, if this proposal is deemed to be "non-routine" as described above under "Voting, Revocation and Solicitation of Proxies," broker non-votes with respect to this proposal, will have the same practical effect as a vote against this proposal.

The Board recommends that stockholders vote "FOR" the proposal to increase the Company's authorized capital to 800,000,000 shares of Common Stock.

PROPOSAL 2

APPROVAL OF THE ADJOURNMENT OF THE SPECIAL MEETING TO SOLICIT ADDITIONAL PROXIES

Adjournment of the Special Meeting

In the event that the number of shares of Common Stock present in person or represented by proxy at the Special Meeting and voting "FOR" the adoption of Proposal 1 are insufficient to approve Proposal 1, we may move to adjourn the Special Meeting in order to enable the Board to solicit additional proxies in favor of the adoption of Proposal 1. In that event, we will ask stockholders to vote only upon the adjournment proposal and not on any other proposal discussed in this proxy statement. If the adjournment is for more than thirty (30) days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Vote Required and Board Recommendation

If a quorum is present, approval of the proposal to adjourn the Special Meeting to a later date requires that the votes cast favoring the proposal exceed the votes cast opposing the proposal.

Assuming a quorum is present, abstentions and broker non-votes, if applicable, with respect to this proposal will not be counted for the purpose of determining the number of votes cast and will therefore not have any effect with respect to this adjournment proposal.

The Board recommends that stockholders vote "FOR" the proposal to adjourn the Special Meeting to solicit additional proxies, if there are insufficient proxies at the Special Meeting to approve Proposal 1.
