### About Us

We are a biotechnology company focused on the clinical development and potential commercialization of our product candidate, leronlimab (PRO 140), which is being studied for the treatment of Human Immunodeficiency Virus (HIV) infection, nonalcoholic steatohepatitis (NASH), oncology and other immunological indications. Our current business strategy is to seek the removal of the partial and full clinical holds recently imposed by the FDA in March 2022, evaluate feasibility and timelines for the resubmission of our BLA for leronlimab as a combination therapy for highly treatment-experienced HIV patients, and to seek to further develop leronlimab for other HIV-related indications. We also seek to advance our clinical development of leronlimab for various forms of cancer, including metastatic triple negative breast cancer and other solid tumors, as well as to continue to evaluate NASH and Non-Alcoholic Fatty Liver Disease, and concurrently to explore other potential immunologic indications for leronlimab.

*Material Transactions with Selling*

During the period beginning June 1, 2019 through August 22, 2022, the following selling stockholders purchased shares of common stock and warrants to purchase common stock as follows:

- Craig Bordon purchased a total of 6,611,568 shares of common stock and a total of 4,621,176 warrants to purchase common stock for an aggregate purchase price of approximately \$2.4 million. The warrants have an aggregate exercise price of approximately \$2.8 million.
- David Callaham purchased a total of 8,758,845 shares of common stock and a total of 6,629,026 warrants to purchase common stock for an aggregate purchase price of approximately \$4.9 million. The warrants have an aggregate exercise price of approximately \$3.2 million.
- Trusts of which Bruce Rajae is trustee purchased a total of 13,204,738 shares of common stock and a total of 8,577,426 warrants to purchase common stock for an aggregate purchase price of approximately \$6.7 million. The warrants have an aggregate exercise price of approximately \$3.7 million.

Arian Colachis served as the Company's General Counsel from March 16, 2020 through August 25, 2021. Pursuant to her employment agreement, she is being paid severance totaling \$300,000, which is equal to 12 months of her base salary, in 24 equal bimonthly installments, subject to normal payroll deductions and tax withholding. The Company has elected to pay a portion of her severance in the form of shares of common stock. The 235,003 shares issued to Ms. Colachis as severance through August 15, 2022, are being registered for resale pursuant to this prospectus.

David F. Welch, Ph.D., served as a director of the Company from January 10, 2019 through September 30, 2020. Also, on July 15, 2019, the Company entered into a consulting agreement with Dr. Welch to serve as non-executive interim Strategy Advisor. The consulting agreement was terminated in October 2019. Dr. Welch received stock options for 250,000 shares at a per share exercise price of \$0.385 and for 187,500 shares at a per share exercise price of \$0.39 as compensation under the consulting agreement.

In February 2022, Dr. Welch agreed to enter into a Surety Bond Backstop Agreement (the "Backstop Agreement"), both individually and in his capacity as trustee of a revocable trust, LRFA, LLC, and certain other related parties (collectively, the "Indemnitors"). Pursuant to the Backstop Agreement, the Indemnitors agreed to assist the Company in obtaining a surety bond in the amount of \$6.5 million for posting in connection with the Company's ongoing litigation with Amarex Clinical Research, LLC by, among other things, agreeing to indemnify the issuer of the surety bond with respect to the Company's obligations under the surety bond. As partial consideration for entering into the Backstop Agreement, the Company issued to 4-Good Ventures LLC, an affiliate of the Indemnitors ("4-Good"), a warrant to purchase up to 15,000,000 shares of our common stock. The Company also issued to 4-Good an additional warrant to purchase up to 15,000,000 shares of our common stock that was exercisable only if the Indemnitors were required to make a payment to the issuer of the surety bond as a result of their indemnification. The second warrant was amended in July 2022 to remove the condition to exercisability and the exercise price of both warrants was decreased from \$0.30 per share to \$0.20 per share. Accordingly, both warrants are fully exercisable and have a five-year term. Also, if the Indemnitors are required to make a payment to the issuer of the surety bond, within 90 days of such payment, the Company must reimburse the Indemnitors for any amount paid by them to the issuer of the surety bond and also pay the Indemnitors an indemnification fee in an amount equal to 1.5 times the amount paid by the Indemnitors to the issuer of the surety bond. The payment obligations of the Company to the Indemnitors under the Backstop Agreement bear interest at 10% per annum and are secured by substantially all of the patents currently held by the Company.

## PLAN OF DISTRIBUTION

The selling stockholders, which for this purpose include donees, pledgees, transferees or other successors-in-interest selling shares of common stock or interests in shares of common stock received after the date of this prospectus from the selling stockholders as a gift, pledge, dividend, distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their shares of common stock or interests in shares of common stock on any stock exchange, market or trading facility on which the shares are traded, or in private transactions. These sales or other dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The selling stockholders may use any one or more of the following methods when selling our shares or interests in our shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which a broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- on any national securities exchange or quotation service on which the shares may be listed or quoted at the time of sale;
- privately negotiated transactions;
- short sales effected after the date the registration statement of which this prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- an agreement by a broker-dealer with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted by applicable law.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of our shares owned by them and, if a selling stockholder defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment or supplement to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders may also transfer our shares in other circumstances, in which case the transferees, pledgees or other successors will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our common shares or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our shares in the course of hedging the positions they assume. The selling stockholders may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such

broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. The selling stockholders reserve the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from sales of shares by the selling stockholders.

The selling stockholders may also resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule, or under Section 4(a)(1) of the Securities Act, if available, rather than by means of this prospectus.

In connection with the sale of shares of common stock covered by this prospectus, broker-dealers may receive commissions or other compensation from the selling stockholders in the form of commissions, discounts or concessions. Broker-dealers may also receive compensation from purchasers of the shares of common stock for whom they act as agents or to whom they sell as principals or both. Compensation as to a particular broker-dealer may be in excess of customary commissions or in amounts to be negotiated. In connection with any underwritten offering, underwriters may receive compensation in the form of discounts, concessions or commissions from the selling stockholders or from purchasers of the shares for whom they act as agents. Underwriters may sell the shares of common stock to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Any underwriters, broker-dealers, agents or other persons acting on behalf of the selling stockholders that participate in the distribution of the shares of common stock may be deemed to be "underwriters" within the meaning of the Securities Act, and any profit on the sale of the shares of common stock by them and any discounts, commissions or concessions received by any of those underwriters, broker-dealers, agents or other persons may be deemed to be underwriting discounts and commissions under the Securities Act. The aggregate amount of compensation in the form of underwriting discounts, concessions, commissions or fees and any profit on the resale of shares by the selling stockholders that may be deemed to be underwriting compensation pursuant to Financial Industry Regulatory Authority, Inc., rules and regulations will not exceed applicable limits.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of the common stock or interests therein may be "underwriters" within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. A selling stockholder who is an "underwriter" within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities, including but not limited to, Sections 11, 12, and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

To the extent required, the shares of our common stock to be sold, the name of the selling stockholder, the respective purchase prices and public offering prices, the names of any agent, dealer or underwriter, and any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the

shares against certain liabilities, including liabilities arising under the Securities Act. All of the foregoing may affect the marketability of the common stock and the ability of any person or entity to engage in market-making activities with respect to our common stock.

We will pay all expenses of the registration of the common stock for resale by the selling stockholders, including, without limitation, filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, the selling stockholders will pay all underwriting discounts and selling commissions, if any, and any related legal expenses incurred by them.

#### **DETERMINATION OF OFFERING PRICE**

The prices at which the shares of common stock covered by this prospectus may actually be sold will be determined by the prevailing public market price for shares of common stock, by negotiations between the selling stockholders and buyers of our common stock in private transactions or as otherwise described in “Plan of Distribution.”

The validity of the securities offered hereby will be passed upon for us by Miller Nash LLP. If the validity of the securities offered hereby in connection with offerings made pursuant to this prospectus are passed upon by counsel for the underwriters, dealers or agents, if any, such counsel will be named in the prospectus supplement relating to such offering.

**Item 15. Indemnification of Directors and Officers**

Section 145 of the DGCL authorizes a corporation to indemnify its directors, officers, employees and agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred, provided they act in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe their conduct was unlawful, although in the case of proceedings brought by or on behalf of the corporation, such indemnification is limited to expenses and is not permitted if the individual is adjudged liable to the corporation (unless the Delaware Court of Chancery or the court in which such proceeding was brought determines otherwise in accordance with the DGCL).

Section 102 of the DGCL authorizes a corporation to limit or eliminate its directors' liability to the corporation or its stockholders for monetary damages for breaches of fiduciary duties, other than for (1) breaches of the duty of loyalty, (2) acts or omissions not in good faith or that involve intentional misconduct or knowing violations of law, (3) unlawful payments of dividends, stock purchases or redemptions or (4) transactions from which a director derives an improper personal benefit.

Section 145 of the DGCL also authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation against certain liabilities asserted against and incurred by such person in any such capacity or arising out of such person's status as such. The registrant maintains liability insurance covering its directors and officers for claims asserted against them or incurred by them in such capacity.

The registrant has entered into agreements to indemnify its directors and officers to the maximum extent allowed under Delaware law. These agreements, among other things, indemnify the registrant's directors and officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts reasonably incurred by such person in any action or proceeding, including any action by or in the registrant's right, on account of any services undertaken by such person on behalf of the registrant or that person's status as a member of the registrant's board of directors.

The registrant also maintains insurance policies that indemnify its directors and officers against various liabilities arising under the Securities Act and the Exchange Act that might be incurred by any director or officer in his capacity as such.

#### **Item 16. Exhibits**

The Index to Exhibits listing the exhibits required by Item 601 of Regulation S-K is located on the page immediately preceding the signature page to this registration statement.

#### **Item 17. Undertakings**

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (a) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933,
  - (b) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement,
  - (c) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

*Provided, however,* that paragraphs (1)(a), (1)(b) and (1)(c) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
  - (a) If the registrant is relying on Rule 430B:
    - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
    - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of

the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (b) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be a part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the registrant undertakes that in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (a) Any preliminary prospectus or prospectus of the registrant relating to the offering required to be filed pursuant to Rule 424;
  - (b) Any free writing prospectus relating to the offering prepared by or on behalf of the registrant or used or referred to by the registrant;
  - (c) The portion of any other free writing prospectus relating to the offering containing material information about registrant or its securities provided by or on behalf of the registrant; and
  - (d) Any other communication that is an offer in the offering made by a registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the forgoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

CytoDyn Inc.  
1111 Main Street, Suite 600  
Vancouver, Washington 98660

Ladies and Gentlemen:

We have acted as counsel to CytoDyn Inc. (the "Company"), a Delaware corporation, in connection with a Registration Statement on Form S-3 (the "Registration Statement") to be filed by the Company under the Securities Act of 1933, as amended (the "Securities Act"). The Registration Statement relates to the offer and sale by the selling stockholders identified therein, or their assigns (together, the "Selling Stockholders") of up to 208,720,547 shares of the Company's common stock, par value \$0.001 per share (the "Common Stock"), which have been issued or may become issuable upon the exercise of warrants issued to certain of the Selling Stockholders (collectively, the "Warrants"). The shares of Common Stock previously issued to the Selling Stockholders, together with the shares of Common Stock issuable upon exercise of the Warrants at any time hereafter, are collectively referred to herein as the "Shares."

In connection with rendering this opinion, we have examined and relied as to matters of fact upon such certificates of public officials, certificates or copies certified to our satisfaction of the Amended and Restated Certificate of Incorporation, as amended, and the Amended and Restated By-laws of the Company, proceedings of the Board of Directors of the Company, and other corporate records, documents, certificates, and instruments as we have deemed necessary or appropriate in order to enable us to render the opinion expressed below. We have also assumed the genuineness of all signatures on all documents examined by us, the authenticity of all documents submitted to us as originals and the conformity to originals of all documents submitted to us as copies, and we have relied as to matters of fact upon statements and certifications of officers of the Company.

Based on the foregoing, we are of the opinion that the Shares are duly authorized and, with respect to Shares issuable upon exercise of the Warrants, when such Shares have been issued upon exercise of the Warrants in accordance with their terms, all such Shares will be validly issued, fully paid and non-assessable.

Our opinion herein is expressed solely with respect to the federal laws of the United States and the laws of the State of Delaware. Our opinion is based on these laws as in effect on the date hereof. We are not rendering any opinion as to compliance with any federal or state law, rule or regulation relating to securities, or to the offer, sale or issuance of securities.

We hereby consent to the filing of this opinion as an exhibit to the aforesaid Registration Statement on Form S-3 and to the use of our name under the caption "Legal Matters" in the Prospectus filed as a part thereof. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.

Very truly yours,

/s/ MILLER NASH LLP
